

WORKSPACES BY EVOLVE IP - A BETTER DAAS SOLUTION

OVERVIEW

WORKSPACES IS A BETTER DESKTOP-AS-A SERVICE SOLUTION AND BUSINESSES TYPICALLY SAVE 40% COMPARED TO TRADITIONAL VIRTUAL DESKTOPS.

Desktop as a Service has become a critical part of Work Anywhere solutions and according to recent research on CIO's from Morgan Stanley, nearly **1 in 3 businesses expect to permanently increase external spending on virtual desktops**. The report also shows that employees are expected to work remotely for the foreseeable future.
